- Database: MySQL, NoSQL.

SKILLS

- Problem Solving
- Creativity
- Team Work

EDUCATION

ONGOING

Mepco Schlenk Engineering College,Sivakasi
B.Tech Artificial Intelligence and Data Science

CGPA: 7.45 (Till SEM 4)

12TH

KMKA MATRIC HR SEC SCHOOL,Sivakasi

Apr 2022

Percentage : 69%

PROJECT

- **Event Management System (Python,MySQL) - Semester 3**
Designed a web-based system to manage event registrations, admin controls, and participant data using SQL for efficient storage.
- **Automatic Resume Builder (Java, MySQL) — Semester 4**
Developed a digital resume creation tool replacing manual processes, allowing users to generate and manage resumes easily.
- **Railway Ticket Management System (C, Data Structures) — Semester 4**
Implemented a priority queue algorithm to prioritize senior citizens in ticket allocation, reducing waiting time.

Certification and courses

- NPTEL- Design and Implementing of Human Computer Interface
- IEEE - English for Technical Professional
- Udemy-MERN full stack

AREA OF INTEREST

- Web Development
- Cyber Security
- Database management System
